## WA-HI-NASA KICKS OFF 75th ANNIVERSARY!!!!

Hello fellow Arrowmen. First off I would like to thank you for electing me as your Lodge Chief. I look forward to serving you this upcoming year. The year is going to be a very exciting one, starting at Latimer for OAU. After the training of OAU, Conclave is where we will defend our title in the Quest for the Golden Arrow. I encourage everybody to carpool down to Tupelo, MS, for it is quite a long drive.

This year has an exciting twist to it, and that is that it is the lodge's 75<sup>th</sup> Anniversary. There will be many new and exciting things at lodge events to celebrate our diamond anniversary. This year I will be implementing a new program called the High Adventure Trust that will help send Arrowmen to high adventure bases like Philmont, Sea Base, and Northern Tier. The lodge will be handing out some scholarships to Arrowmen at some of the events. I thank you all for giving me the opportunity to serve as Lodge Chief, and I will work to not disappoint.

Yours in Service,

TJ Lockett

2013 Wa-Hi-Nasa Lodge Chief

It appears that the Lodge has survived another year. The activities have been many and memorable. We had our first event at Latimer with OAU and the first OA ceremony there was conducted. The clear blue sky and bright stars shining over the reflection of the Tolbert Center off Lake Joe Long was most peaceful and memorable. The trip to Skymont for Conclave with four

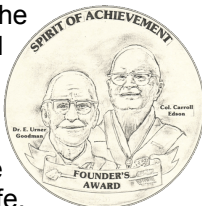

of the officers onboard was another of those once in a lifetime experiences. The ride back with the Quest Trophy in hand was great. The two Ordeals gave not only service to the Council but also increased our membership. Those who missed NOAC didn't have the experience of seeing our own Ray Capp serving as National Chairman and two of our own receiving national recognition: Jeanette Lord (Ray's Executive Assistant) received the Red Arrow Award and Ron Turpin received the Distinguished Service Award. To them our many thanks for their continuing service. With fall came our second visit to Latimer where we conducted the Vigil Ceremonies, which included the first use of the Chapel.

As we head into the lodge's 75th year we will be enjoying a continuous celebration at each event. I am very excited about a new program that is being rolled out. The lodge is establishing a High Adventure Trust to provide scholarships to assist our members in attending National Camps. An example is for the members to experience OA Trail Crew and bring their gained knowledge back to be applied with the development of trails at Latimer. Will your legacy be the development of a memorable section of trail?

**SERVICE- have you been logging your Hours?** Wa-Hi-Nasa is proud of the many service projects that we do and contribute to, **but** many of these service hours are unaccounted for. It is our goal to record these many lost hours. For example how many hours have each of you spent doing service projects with your unit? These and any services hours can count both for the unit and the lodge. To help with accounting for these **LOST HOURS** the lodge web site is being geared up to have a section for registering these hours. Any time you do service hours you will be able to log them. How many of you have been to a Titans Game this year and participated in

## Adviser's Corner (continued from page 1)

our ongoing service project? This is a highly visible service project that the general public gets to see Scouting doing one of our many positives. This project has also given many Scouters' the opportunity to attend a Titan's game, which would have been otherwise impossible. This has been a major undertaking with many rewards. Remember to get your dues in before the first of the year to save the additional late charge.

CAP forms are completely out and Journey to Excellence is in for our 75<sup>th</sup> year. Some Chapters were given byes this past year in transitioning to JTE, but the new forms are out. Apprizing yourself of these requirements early in the year will help guide your efforts in meeting them. There are plans to have training concerning JTE at OAU, as some have requested.

The year ahead of us will see many of you traveling to the National Jamboree @ the Summit, and returning with experiences and memories of a life time. There are still some openings with the National Service corps should you have any interest in serving in this capacity.
