### Fall Fellowship

**The most fun event of the year is happening September 14-16 at Boxwell Scout Reservation!**

Our annual Fall Fellowship is less than a month away! The theme is the 1980s, a time of big hair, dancing, and great music. Enjoy this blast to the past with several themed activities and much more! Having recently finished our August Induction where we provided great service to Boxwell, we now come and just enjoy time together; we need you there!

From celebrating our Lodge's 80th anniversary, partying like the 1980s, having fun with friends new and old, rifle

shooting, virtual reality games, and recognizing exceptional service to our Order with Vigil callout, Fall Fellowship will be the most fun event of the year! Here are some things we'll do:

- 1980s Themed Games and Party Night (Bring your 80s clothes for the Disco!)
- Virtual Reality Arcade
- Escape Room
- Magic: The Gathering Tournament
- Rifle Shooting and Archery
- Canoeing and Kayaking
- Dutch Oven Cooking Competition (Bring your stove and food!)
- Lawn games like Spikeball, Cornhole, Kanjam, and Plinko!
- Smoked BBQ Pig – the best meal you'll ever have at Boxwell
- Giant Root Beer Kegs

But wait, there's more... along with getting an awesome Fall Fellowship patch there will be Wa-Hi-Nasa shirts, belts, lanyards, and lots of other cool merchandise at the Trading Post.

Ordeal members that have been in the Order for 10 months or more have the opportunity to attend Brotherhood Review. In this review, members learn more about the Order of the Arrow, reflect and understand more about the ordeal, and renew and strengthen the ideals of our Order. It'll be a time to remember.

### NOAC 2018

A little over a month ago youth from across the Middle Tennessee Council gathered together to attend the National Order of the Arrow Conference (NOAC). The contingent of Arrowmen went by bus to Indiana University in Bloomington, Indiana for the 2018 NOAC, where the goal was to have fun, meet new people, and learn about cheerful service with nearly 7,000 Arrowmen from across the country.

Our Lodge also held activities for Founder's Day, with

## Chiefly Speaking

Fast approaching is Fall Fellowship, a weekend packed with fun and a nice throwback to the 1980's as a tribute to the 80th Anniversary of the founding of the Wa-Hi-Nasa Lodge, and for those eligible, there will

be an opportunity to become a Brotherhood member. Sunday morning, we will be having our annual lodge elections, and immediately following will be our final LEC for the year, so please attend.

Additionally, if you know of someone who has not paid their dues for this year, please encourage them to do so before Fall Fellowship online at <http://wa-hi-nasa.org/register>. I am looking forward to seeing all my brothers at Fall Fellowship. This could be the most fun event of the year!

games and goodies for everyone. The crowd favorite during Founder's Day was "Plinko," where we gave out Moon Pies to the winners! All the lodges really got into it. It was great for Arrowmen to make so many new friends from all over the country.

NOAC is over for now, but it won't be long before the 2020 NOAC at Michigan State University. Thank you to everyone who was a part of the contingent this year, it truly was an amazing time.

## Adviser's Corner

"Summer should get a speeding ticket." --Unknown

As the year speeds by, take a minute to reflect on what you have accomplished so far this year. Are you on track to accomplish your 2018 goals? I

hope you have some OA goals on the list. (If you just got inducted into the OA this summer, make some short term goals for the OA now!) There are still several ways you can be active in the OA this year.

Are you attending your local chapter meetings? Are you planning to attend Fall Fellowship? How about Winter Banquet? Have you asked about being on a chapter or lodge committee? It's not too late to do some of these. You can get information about your local chapter at <http://wa-hi-nasa.org/chapters>. You can register for Fall Fellowship and

other events at <http://wa-hi-nasa.org/register>. You can ask about lodge committees or any other OA questions at <http://wa-hi-nasa.org/contacts>. Don't say you don't know how to get started! Get involved. Have some fun. Serve your fellow Arrowmen.

Yours in service,

*Craig Salazar*

## August Induction Weekend

August Induction Weekend (AIW) was a huge success with the induction of 128 new members. While attendance in spring was lower than anticipated, the above average candidate attendance during AIW more than made up for it. Thanks to the hard work over the Summer by Chapter Chiefs and OA Representatives, candidates not only came to the event in high numbers, they also came with a work ethic that blew through the tasks requested by Middle Tennessee Council. Tasks were completed so quickly that Boxwell Reservation Director, Jason Flannery, was able to provide additional tasks to improve Boxwell. August Induction Weekend was a resounding success!

## Winter Camp 2018

Winter Camp 2018 will be an experience unlike any other. Arrowman have the unique opportunity to staff this event and put on a program that everyone will remember. Serving on Winter Camp staff means FREE food for staff, and you also get FREE swag that is only available to staff members! Winter Camp is a great place to start out in the OA. There are many different areas of camp that do not require experience, such as service crew, activities, registration, kitchen, and evening program.

Additionally, this year Winter Camp is expanding to host campers at Camp Craig, mean-

ing we need even more staff. Come to camp, bring a fellow Arrowman, and enjoy a week of fun.

Winter Camp will be held December 26-31, 2018, at Boxwell. Arrowman interested in serving on staff should fill out an application at the link below.
