Winter Camp at Boxwell

Winter Camp 2018 will be an experience unlike any other camping event. As an Arrowman, you have the unique opportunity to come out and staff this event and put on a program that campers and staff alike will remember for years to come. Serving on Winter Camp staff means FREE food for staff, and you get FREE swag that is only available to staff members!

Winter Camp is a great place to start out in the OA, especially if you are unsure what you want to do. There are many different areas of camp that require zero prior experience such as service crew, activities, registration, kitchen, and evening program. This year, Winter Camp is expand-

ing to host campers at Camp Craig, and we need even more staff than previous years. Come out to camp, bring a fellow Arrowman, and enjoy a week of fellowship.

The theme this year is Scoutfall 007, so be sure to bring you best spy attitude to camp! We will have some great featured activities such as an escape room, a spy camp to train your skills, and the search for intel you've seen! Returning this year is the highly anticipated polar bear plunge, along with tournaments for PLINKO, dodgeball, volleyball, gaga ball, and Magic: The Gathering. In fact, we are creating some brand new Plinko boards for this event, so be sure to try them out!

Staff for Winter Camp should arrive on December 26th by 1 PM, and will stay until December 31st at Boxwell Scout Reservation. Any Arrowman interested in serving on staff should fill out an application at the link below. I look forward to seeing you all there.

- *David Thornton, 2018 Winter Camp Boxwell Chairman*

Spring Shindig

Spring Shindig is a brand new lodge event! It is high adventure oriented with some service and leadership mixed in. Everyone should be there for the first Spring Shindig!

- *Wyatt Foutch, 2019 Spring Shindig Chairman*

Gold Cards

In order to attend any of our awesome events in 2019, you must have current membership in the OA. Consider purchasing a Gold Card, or annual pass. This package includes your 2019 membership renewal fee, and discounted early bird prices for all 2018 lodge events. The Gold Card does NOT cover the cost of the SR-6 Conclave. Purchasing a Gold Card saves you the time of pre-registering for each event individually, and saves money too! To purchase a gold card or to renew your membership for 2019, go to <http://wa-hi-nasa.org/register>.

Outgoing Chiefly Speaking

My fellow arrowmen,

This year has been a great 80th anniversary year for our lodge. It has been an honor and a privilege to serve as your 2018 Lodge Chief. I am also thankful for the awesome group of officers, chairmen, and chapter chiefs we have had this year. We have also had some landmark achievements such as our new shed, which serves both as storage for lodge equipment and as a permanent home for the trading post. Conclave was great, Fall Fellowship was a blast, our inductions were outstanding, and the in-

corporation of a modified version of OAU have all been milestones in our expansive history as a lodge. I want to thank you, the membership, for the hard work you have done this year and continue to do. The lodge leadership is here for you and I have every confidence in our 2019 Lodge officers and Chief. I'm sure with the experience and ideas they will bring to the table, this next year will be another milestone year for our Lodge. Thank you all again for allowing me to be your 2018 Lodge Chief; it has truly been an hon-

or and the highlight of my Scouting career.

AJ Hagerman

2018 Lodge Chief

Incoming Chiefly Speaking

Thank you to all of the lodge members for choosing me to represent you this year. It is an incredible honor to serve as your Lodge Chief. Thank you to my fellow officers for choosing to embark on this journey with me. I am humbled to be able to work alongside such great leaders. I also appreciate AJ's grace during this time of transition. I want to thank my Mother, Susan Murrell, for introducing me to Scouting and allowing me to forge my own path in this wonderful organization. Most importantly, I want to thank the Order of the Arrow for being the closest thing to a father figure I have in my life. Thank you for everything: from the hard lessons learned from grueling

hours of induction weekends, to the wonderful friends that allow me to share this inaugural stage.

History remembers great men and women by what they have built, not destroyed. Dr. E. Urner Goodman organized the Order of the Arrow to provide Brotherhood in a day when there is too much hatred at home and abroad. Cheerfulness in a day when pessimists have the floor. Service in a day when millions are interested only in getting rather than giving. When I look around and see the warm smiles of those who are cheerful, I see the brotherhood in all of us. When I see the volunteers pour out of the woodwork in

cheerful service, I can know deep in my heart that the Wa-Hi-Nasa Lodge would make Dr. Goodman smile.

Thank you for the opportunity to serve you.

Adviser's Corner

"Togetherness. For me, means teamwork."

--Walt Disney

This quote from Walt Disney was on a construction project that I saw a few months ago at Disney World. When I read this

quote, I thought that the word "Togetherness" could be replaced by the word "Brotherhood". For me, Brotherhood means teamwork...borrowing from Walt.

As we come to the end of another year, we have a new lodge administration working feverishly to create an organization that will lead us through 2019. The Brotherhood (teamwork) that I see among our youth officers, chairmen, and advisers to me is inspiring. I hope that all of you have had or get the opportunity to work with a group of people who are working for the better-

ment of others. To me, this teamwork is Brotherhood.

This holiday season, I am thankful to be part of an organization that serves our youth and allows them to be a part of something bigger than themselves. I look forward to 2019 with the expansion of our organization to be the honor society for Venturing and Sea Scouting in addition to Scouts, BSA. Let's all build our Brotherhood with teamwork in 2019.

Yours in service,

Craig Salazar
