## Winter Camp

### How I Survived 2020

Hello! Despite Winter Camp being postponed to January 30-31st, I am still very excited for Winter Camp 2020! Although it will be slightly different than past years, we will still provide the best Winter Camp experience possible! We have many merit badge classes that are being offered this year; as well as, the new trek's where you can pick from doing high adventure activities, or stem related activities! We need all the help we can get to make this Winter Camp a success! We have a variety of different areas for you to staff if you are interested! Use this registration link below! I can't wait to see everyone there!
