CHIEFLY SPEAKING

"Be you steadfast as the Polestar: self-reliant, undiscouraged" - Kichkinet

My Brothers,

I hope that so far 2023 has been treating you well. I know that personally, I am getting excited about opportunities we will have this year to get together as a Lodge for fellowship and cheerful service. Hopefully you are also experiencing similar thoughts. If so, thank you for being a part of that excitement.

One of the main tenants of the Order of the Arrow includes leading others into service, including firstly continuing in service to our units. I know that you are probably already doing this. However, I also know that sometimes it can be difficult to consistently continue to serve especially when we are served challenges. I encourage you to remain steadfast in all that you do. We are encouraged to see past the rigors we experience, focusing on the bright and great beauties available. This is part of our purpose as Arrowmen.

One of the upcoming events we have as a Lodge is Spring Shindig, where we will have an opportunity to develop ourselves and find comradeship with one another. I also encourage you to attend this event. It is a great way to get connected and to find ways you can get involved with our organization.

Again, thank you for the time and energy you devote to Scouting and the Order of the Arrow. I cannot wait to see and continue to meet you at our events this year!

Yours in Brotherhood,

Samuel Rumbley

Unit Elections

Spring is around the corner and we are approaching the 2023 Wa-Hi-Nasa Unit Election season!

In 2022, we were able to contact 90% of the units in the council.

Our goal for 2023 is 100%

What can you do to help achieve this goal?

- 1.) You can ensure that your personal unit has scheduled an election by talking with your Scoutmaster
- 2.) You can help your chapter contact the units in your district by phone, email, or in person
- 3.) You can help your chapter visit units and conduct elections as directed in the unit election guide

Unit Elections need to be scheduled before May
